

## General Club Rules

All court users **MUST** be members and must have their cards with them at all times while at the courts. **No guests allowed.** Parents using the courts with their children who are junior members must also have an adult membership.

The club communicates with its members predominantly via email. Please supply a valid email address.

Please limit your sessions to an hour if there are other members waiting for the courts. Members can't book courts. Competition and coaching are held at the club and these get priority over members hitting.

Please put your rubbish in the bin and respect the club's property.

No abusive or obscene behavior will be tolerated. Swearing is not permitted.

Players must cease playing at 10:30pm in respect of our neighbours.

Players are allowed to use the courts for hitting only. Point Cook Tennis Club has an exclusive contract with its coaching provider so no formal coaching is to be conducted at the courts. Parents are permitted to coach their kids provided all people on court are members.

No refunds will be given if your membership is cancelled.

The club's committee reserves the right to suspend or cancel your membership if you do not follow the above rules.

## Keys and Locks

Locks to the courts and light box are changed every year. New **KEY CODE** will be issued with your membership. If you are the last one out when you leave the courts, please ensure the gates are locked when you leave. This stops other non-members from accessing and vandalising the courts and protects the integrity of your membership.

## Light Usage

The lights will stay on for **ONE HOUR**. (\$10 per hour) \$1 coins can only be used. Please read instructions next to light box.

## Tennis Victoria

The club's affiliation with Tennis Victoria also provides each member with Personal Accident Insurance (PAI). For more information on what you are covered for, please visit Tennis Victoria's website.
